

# HAVING TROUBLE GETTING A COVID VACCINE IN THE BERKSHIRES?

## GIVE THIS A SHOT

### 1. FIND OUT WHEN APPOINTMENTS WILL BE AVAILABLE

Find out when the next round of vaccine appointments will be released by checking the top banner of [www.getvaccinatedberkshires.org](http://www.getvaccinatedberkshires.org) so you are aware when the clinics/appointments will be opened/available. This only happens once or twice a week so if there is nothing posted then the three main sites don't have slots.

### 2. GET INTO WAITING ROOM WELL BEFORE IT IS TIME

Go to [www.maimmunizations.org](http://www.maimmunizations.org) using Chrome, Firefox or Safari EARLY and at least an hour before the appointments open in order to get through waiting room. **DO NOT use Explorer or Edge!** The page will automatically update and let you onto the next step once it is your place in line. Just wait and DO NOT refresh or close your browser

Welcome to the Commonwealth of Massachusetts COVID-19 Vaccination Appointment Scheduling Site

NO!!!

**DO NOT REFRESH OR CLOSE ONCE YOU ARE IN THE WAITING ROOM. IT UPDATES AUTOMATICALLY.**

### 3. CLICK "PHASE 1 AND 2 CLINICS" BUTTON

Once you get out of the waiting room, you will enter a room that outlines eligibility for vaccination. Click the "Phase 1 and 2 clinic" button at the bottom of the page.

**Phase 1 and 2 clinics**

### 4. "FIND A VACCINATION CLINIC" IS WHERE YOU WANT TO BE WHEN THE APPOINTMENTS BECOME AVAILABLE

#### (1) DO NOT START SEARCHING UNTIL IT IS TIME

If you search before clinics are made public, the program will say "NO CLINICS TO SHOW"

#### (2) CHOOSE ONE STRATEGY TO SEARCH

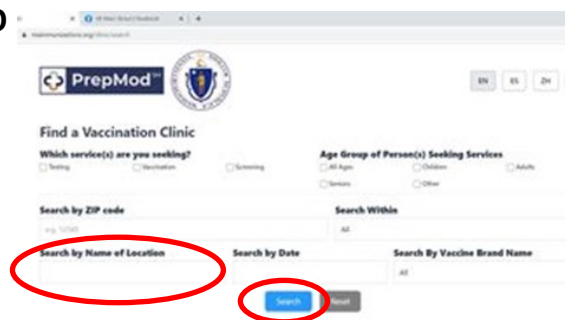

**(A) ONLY USE "SEARCH BY NAME OF LOCATION"** using the following criteria for your desired clinic:

- Dubois (For Great Barrington clinic)
- Berkshire (for Pittsfield clinic)
- Hungary (for North Adams clinic)

**(B) ONLY FILL OUT "SEARCH BY ZIP" CODE (Using 01201) AND SEARCH WITHIN 25 MILES**

**\*\*Do not click on other options!! Less is More!\*\***

Stay on the page until you receive confirmation

#### ADDITIONAL NOTES:

This method is intended for three main Berkshire clinics based on the strategy of knowing when the appointments will be to be made available.
